# RULES OF CIVIL CONVERSATION

1	I will try to reach a shared understanding rather than 'win the argument'.	2	I will clarify with others to make sure I genuinely understand their perspective.
3	I shall endeavor to avoid committing logical fallacies in support of my claims.	4	I will attempt to account for my own biases and try to be intellectually humble.
5	I will also try to be reasonable, rational, and create coherent arguments.	6	I may challenge ideas, but will refrain from personal attacks and mean-spiritedness.
7	I will use the 'Principle of Charity' to interpret others' points of view in the best light.	8	I promise to remain genuinely receptive to changing my mind.
